

RUSSIAN INTEL LEAK: '25 American Cities Currently Have SECRETLY PLANTED NUKES'

Wednesday, July 23, 2014 9:25

(Before It's News)

RED ALERT: NUKE TO DETONATE TO BE BLAMED ON PUTIN

It is VERY important to remember that Veteran's Today has reported that there are currently [25 major U.S. cities with small nukes secretly planted](#) somewhere within. We know that this will be the excuse to start a nuclear war. The MH17 false flag was nothing other than an attempt to make Americans think Putin would do the utmost evil things imaginable to them. Of course, millions of stupid Americans have no idea what's going on and believe that Putin shot down the plane. What a joke... As I see it, one of these nukes will be detonated. It's just a matter of time now. The disgusting NWO will do anything to further their agenda.

When the incident happens, it is important for ALL PATRIOTS to make sure to be watching the fake mainstream news and recording. We need to catch them in lies and mistakes if we are to wake up the rest of the sheep. Always ask, who had the most to gain from downing MH17? ***More importantly, who would have the most to gain by blowing up a nuke in the US? Certainly not Putin.*** Be careful my fellow Americans. Danger ahead.

BREAKING NEWS !

According to Senior Veterans Today Editor Gordon Duff, a major recent Russian Intel dump into the Public Domain included some astounding information.

The most alarming disclosure was that at present there are twenty-five American cities which currently have nukes that have been secretly planted in them by the IZCS on behalf of the City of London Zionist Bankers which can be used to blackmail the American Administration into starting another major war or continuing perpetual Mideast war in Iraq, Syria or Iran or attacking the Ukraine by air.

It is clear that this was done by Putin in retaliation to Obama's threats of sanctions against the New Russian Federation over Russia's stand on the Ukraine and specifically the Annexation of Crimea which was overwhelmingly approved and passed by Crimean Citizens.

Here is a list of the entire series of disclosure by Russia:

(A) It disclosed that Israel was set up as a front for the Soviet Union to serve as a means to infiltrate American Intel and did so. And American Intel knowingly allowed this to serve as a means to infiltrate Soviet Intel.

(B) Also disclosed was that Pollard was serving as a Soviet Agent the whole time and used Israel as a cover. When he was caught in the biggest breach of American Intel ever that resulted in the exposure and deaths of hundreds of American assets and agents inside Russia and Communist bloc nations, most never found out he was actually a Soviet Agent.

(C) Some seasoned Intel Insiders with Cold War experience believe that Israeli Intel, the Mossad was essentially an extension of the Soviet Union's Intel System, and when the Cold War ended became a "left-behind" Bolshevik Intel Cabal working for the City of London private Zionist Central Bank. (7)

(D) Additional disclosures are even more startling such as the conclusion that the 9/11/01 attack on America was a nuclear event, an installment of the Israeli Samson Option using “decommissioned” W-54 warheads provided by the BCC.

Nuclear Blackmail and the Samson Option?

(E) And the most alarming disclosure was that at present there are twenty-five American cities which currently have nukes that have been secretly planted in them by the IZCS on behalf of the City of London Zionist Bankers which can be used to blackmail the American Administration into starting another major war or continuing perpetual Mideast war in Iraq, Syria or Iran or attacking the Ukraine by air.

Obviously the current situation is very alarming and potentially quite dangerous. A few careless slip-ups could lead to a nuclear WW3 or the activation of the Samson Option by the IZCS.

It's time for some serious action to to take control and drive out the enemies of America that are within the Gates.

The current US Administration needs to immediately address these serious concerns, especially the twenty-five nukes planted in American Cities. A workable action plan to find these nukes must be immediately commenced, and America must avoid falling into another perpetual war in the Mideast and the Ukraine or even a potential nuclear WW3 situation.

Those inside the highest levels of the American military and Intel know exactly who is responsible for these nukes covertly planted inside twenty-five American Cities and why they are blackmailing the U.S. Administration. America needs to take direct action to hold these parties responsible. High level Intel sources believe that some of these planted nukes are derived from repackaged decommissioned and stolen W-54 Pits, and the rest are derived from much larger Russian nukes acquired clandestinely after the end of the Cold War.

Navy SEAL Admits Nukes To Be Detonated Nationwide for Martial Law Agenda

Thursday, April 25, 2013 8:32

(Before It's News)

(PARDON THE PREVIOUS TYPO! MY NAVY SEAL CONTACT EMPHASIZED

THE PROPER DATE WAS MAY 5th, NOT MAY 6th!-PRS.)

From Pamela Rae Schuffert

www.AmericanHolocaustComing.blogspot.com

“BROKEN ARROW! BROKEN ARROW!”

These were the urgent code words
my NAVY SEAL contact
spoke to a high level military security source in
Washington DC only a month ago.

In the US military, the code name for a serious
nuclear weapons incident is
'Broken Arrow'.

**“..the rogue nukes were planted across various locations in
America, and were set to detonate May 5th, 2013...”**

-Testimony of Navy SEAL sniper and explosives expert-

**This is probably the most urgent articles/emails I have ever
sent out IN MY LIFE. NONE of the following information was
“surfed off the net.” I just met personally with this man who
gave me the following information:**

**I just spoke personally with a military insider, a NAVY SEAL sniper with
a record 200 hits, who told me some horrifying information. He recently helped intercept, with
other military men, nukes that were planted by NWO forces and destined to go off around MAY
5th, to trigger martial law nationwide...RIGHT HERE IN MONTANA. *And there are MORE
across this nation.***

**This is the fulfillment of my article written years ago,
about “**OPERATION RING OF FIRE**”, in which an insider
admitted that one of the final tactics which the NWO forces will
use to **irrevocably trigger martial law in America, is a series of
massive explosions across this nation, forming as it were a
RING OF FIRE.****

The nukes which this recent military contact helped to defuse were obviously a perfect fulfillment of this warning that came from a personal friend and source many years ago, who was later murdered by the government (Ed Pack). See following articles about “OPERATION RING OF FIRE”:

<http://disc.yourwebapps.com/discussion.cgi?disc=149495;article=121808>

<http://americanholocaustcoming.blogspot.com/2009/08/warning-signs-that-martial-law-may-be.html>

My new contact told me that several cities in Montana had been targeted with these nukes which they helped to intercept only a month ago. He told me that 9 men died in this defusing operation. He also mentioned that the nukes they helped to offset were in California and Oregon also....**but we both agreed that they are undoubtedly also planted all across the nation for their martial law agenda.**

He remains in direct contact with a biggie in the military in Washington DC who specializes in nuclear safety and security , who worked with him and the men to defuse these rogue nukes, and even showed me his text message from him the other day. I looked the guy up on the Internet. Gulp...yeah, he IS a biggie in military nuclear safety and security! And this biggie is aware of me and my reporting...and told my NAVY SEAL source so in the text message which he later showed me.

The urgency of this message is, **THESE ROGUE
NUKES HE HELPED TO INTERCEPT WERE
SET TO DETONATE AROUND MAY 5TH, 2013!**

AND WHILE HE AND HIS MEN MAY HAVE INTERCEPTED AND STOPPED THESE PARTICULAR ONES HE TOLD ME ABOUT... **THERE ARE MORE ROGUE NUKES OUT THERE**...AND APPARENTLY THEY TOO MAY BE SCHEDULED TO DETONATE AROUND THIS TIME PERIOD AS WELL!!! Honestly, we on the outside cannot possibly know the exact planned time of the detonation of the other nukes, but it would make perfect sense that they would follow the pattern of the previously intercepted nukes.

He admitted to me that we are talking about tens of thousands of innocent lives taken out or affected by every single one of these deadly rogue nuclear devices.

Readers, PLEASE pray as never before!
Circulate this email far and wide!
This is no hoax and is
THE REAL THING.

And pray for this man. He was warned by the aforementioned DC biggie that he was high "on the hit list" now for termination because of his activities countering their NWO agenda. He admitted to me that he is going underground and disappearing rapidly.

In fact, I will be giving him lots of my personal "bug-out" supplies and equipment before he disappears. The main reason I am doing this is because he recently lost everything in a divorce, including his home. He admitted that he had brought home his military training and hardness too many times, and it affected his family to the point where separation finally occurred. This happened to our military family as well. Those of you with military families will understand this, and what combat can do to a man and family relationships.

Furthermore, no one gets paid once they are forced to go underground. Such people must rely on our help just to survive. His life is in danger for standing against NWO tyranny threatening

our nation, and for daring to help intercept some of their nukes planted in America to trigger martial law.

What kind of support does he deserve from the rest of us whose lives he is helping to save *RIGHT NOW???WWJD?* I will never let such genuine American heroes down...and neither should *YOU*.

He told me he wanted me to get this info out for prayer...because he has recently committed his life to Jesus Christ, after years of military sniper/assassin jobs as a SEAL and more hits than famed CHRIS KYLE (recently killed), former manager of BLACKWATER/the CRAFT paramilitary organization.

This contact is for real. We spent hours talking and he knows some very deep hidden facts and things that I knew, including personal contacts of mine, that blew me away...and I realized immediately *he was the real thing*. Pray for his safety and his walk with Jesus Christ to continue, and for his family as well.

Pray that all these other deadly nukes, planted to trigger martial law THIS YEAR, will be intercepted and neutralized across this nation by the “white hats” or good guys in the military who are against this wicked NWO agenda for our nation. **God bless the Patriot military underground! Keep up the good work, guys!**

Obviously, pray for me as well. Do you actually think the government *loves* me for getting this kind of information out nationwide??? Somehow I suspect that there is a big fat hit list out there with my name near the top....

If my contact's dates are correct, we may have only days to pray against these nukes going off to trigger martial law, apparently, based on the info he shared with me.

**OUR PRAYERS CAN *MAKE THE DIFFERENCE*
IN THIS CRITICAL HOUR.
...AND THEY *MUST.*
*Countless innocent lives are at stake!***

God bless and keep you always,

Pamela Rae Schuffert

OPERATION RING OF FIRE: Warning from THE GRAVE

"Feds Murder US Patriot Ed Pack for Filming WACO, and More"

Let me introduce you to ED PACK, a true American Patriot and hero. Ed and his wife Carol lived in Spartenburg, SC with their children and grandchildren. On the surface, Ed was just a nice guy who made his living tuning pianos and playing his keyboard at country/western music events.

But underneath, Ed was a red blooded American Patriot who believed in the Constitution and American sovereignty.

Ed felt compelled to research the coming martial law scenario in which America will be stripped of all it's freedoms and forced to come under the United Nations and military dictatorship instead. Ed was a brilliant researcher, a professional computer hacker able to penetrate into deeply covert government websites to obtain classified information.

He also had contact with deep internal moles within the government, military and in fact within the White House itself. Such access to sensitive information and it's sources enabled Ed to uncover much of the future agenda of the New World Order for America.

Through his internal contacts, Ed was able to warn me three months before the bombing of the Murrah Building in Oklahoma City that such an event was scheduled to occur, that the government would be the culprit, and that it would be used to defame America's militias so hated by the US government. And to rush secretly awaiting "anti-terrorism" legislation through on the wings of public outcry and sentiment...legislation he warned me that was simply written to put more government controls and restraints on the American people.

ED WARNED ME THAT HIS MOLES ALSO UNCOVERED "OPERATION RING OF FIRE." In fact this strategy was planned directly from the WHITE HOUSE itself, he said.

"OPERATION RING OF FIRE is one of the last strategies the NWO will use to irrevocably bring down MARTIAL LAW NATIONWIDE! It consists of MASSIVE WELL PLANNED EXPLOSIONS across this nation , creating as it werre a RING OF FIRE! The US government will blame it on AL QUAIDA, BIN LADEN, or numerous other 'terrorist organizations, ' but in fact IT WILL BE OUR OWN US MILITARY BLACK OPS INSTEAD!"

And on top of all this, Ed was at Waco, painstakingly filming this great American travesty of justice even as it all happened. His raw film footage was then turned over to Linda Thompson of the American Justice Federation. who processed it into the Waco expose documentary that shocked the conscience of the nation.

Essentially, Ed was a spy for the American Patriots!

And for this, the United States government decreed **ED PACK MUST DIE!** And I was present to watch as it all happened over the period of two years. Ed Pack was systematically targeted, terrorized, and forced into poverty and hunger as his employers were threatened that their businesses would be destroyed if they continued to hire him. Bullet holes appeared in the windows of his home by night. His car windows were shattered also by government bullets. Rags were stuffed into the shattered glass holes, because Ed was too poor to be able to afford to have these windowpanes properly replaced. One day when I came over to his home to comfort and encourage his family, he took me to see his computer equipment, now ruined. He shared how a deliberately created power surge of incredible dimensions had destroyed all his equipment used for research. (The government has developed technology that enables them to target any home across America and to do this selectively while avoiding other home!)

But the worst was yet to come.

In January of 1995, Ed told me, "I was in my living room reviewing some secret film footage someone had sent me, when suddenly I felt

tremendous burning going through my neck, through and chest. I ran to the kitchen to get a glass of water. But when I returned to the living room the burning continued to intensify. Sensing by this time that it was coming from external sources, I grabbed my shotgun and threw open my front door. And there, under the streetlight, was parked a black government van. On top of the van was a stealth government death weapon known as THE MICRODISH. THE DISH WAS AIMED RIGHT INTO MY LIVING ROOM. When the two men saw my shotgun, they took off into the night, head and taillights off to avoid being followed. I staggered back into my home, now coughing up blood. When I went to my doctor the next day, he said, "Ed, what happened to you? You are full of deep internal burns!" Ed could tell him nothing.

I know THE MICRODISH is real! My personal friend and former neighbor, Brigadier General BEN PARTIN, is a top military explosives expert. He was the one that testified in the Oklahoma City bombing hearings that NO NITROGEN FERTILIZER BOMB COULD HAVE HOPED TO DO THE DAMAGE THAT OCCURRED, AS THE GOVERNMENT ALLEGED IT HAPPENED. He also personally developed the stealth death weapon for the military called THE MICRODISH.

As I told him about it's use to kill Ed Pack, he remarked at his home in Washington, DC:

"I personally developed for the military, but I never intended for it to be used this way against innocent civilians!"

And from the time Ed Pack was microwaved, his health began to steadily deteriorate. Because of a scarred esophagus, Ed could no longer swallow properly. He became weaker and weaker daily. I watched him as he went from a formerly robust and healthy man down to skin and bones and frailty. His wife and his family suffered as they watched their father slowly die. Finally, in June of 1996, Ed Pack succumbed to government terrorism and simply gave up. He died.

But before he died, Ed took me aside and pleaded with me. ".... they may have gotten me, but they haven't gotten you yet. Tell them...tell the American people everything I have told you! WARN THEM ABOUT MARTIAL LAW and of what is to come to America!" I promised Ed I would be faithful to do so. And a few days later, Ed was dead.

His doctor had shown me the results of their tests that indicated a large and long tumor growing in his neck had been spawned by the microwave radiation. Although the tumor was removed, too much internal damage had been done to Ed to save him.

I personally attended his funeral of June, 1996, in Spartanburg, SC alongside his family. And there, in front of his casket as it was lowered into the ground, I vowed to God to NEVER BE SILENT!!!

I relieved his widow of the raw film footage of Waco so the government would no longer attack his family over it, and placed it into hiding.

Ed had faithfully warned me about many things that now appear in my book, *Premonitions of an American Holocaust*. He loved his fellow Americans enough to research and warn them of what is to come. Ed gave his life to wake up the American people. And I am sure that as I continue to do the same type of research to warn the American people, I will face the same type of persecution as well.

Friends, for the sake of those who, like Ed Pack, have given their lives to WAKE UP AMERICA, do not take such research lightly. Use it to become informed, and to become activated in the defense of your nation, your liberty and your American heritage from such government treason while there is yet time.

Don't let the sacrifice of researchers like Ed be in vain!

WARNING SIGNS That MARTIAL LAW May Be IMMINENT

UPDATE! PLEASE SCROLL DOWN to my *newest article*, "**THE SILENT EXODUS OUT OF AMERICA**," following this report. This is important information for all Americans who realize these ominous events leading to martial law may be unfolding very soon.-Pamela

By Pamela Schuffert presenting investigative journalism from a Christian Biblical perspective-

MARTIAL LAW! Many people in America now know what these two ominous words mean. They mean **a loss of OUR CONSTITUTION** and all our previously enjoyed freedoms under it, including religious freedoms involving freedom to assemble and freedom of speech. MARTIAL LAW means coming under Presidential Executive Orders already written designed to make our nation into a POLICE STATE of **"BIG NWO BROTHER."**

My CIA sources (former, now whistleblowers, underground such as Michael Maholy) and many OTHER insider sources warned me that **MARTIAL LAW means ROUND-UP TIME** of all "potential terrorists" on the HOMELAND SECURITY/FEMA/GOV/MIL watch list, to be placed on prisoner boxcars with shackles and taken to the FEMA/HOMELAND camps to be given "special treatment." This includes "brainwashing and re-education" or TERMINATION.

Here are some warning signals to watch for:

-Large numbers of strange-looking BOXCARS appearing in your neighborhood/region. They may be prisoner boxcars for future arrests, or military related. (this is happening now in areas around NYC and Newcastle, Indiana, and elsewhere across the nation.

-FOREIGN TROOPS AND VEHICLES sighted in your region. Here in NC, I have just received reports from a local source about the sighting of **RUSSIAN MILITARY VEHICLES** in this area, with Russian symbols on them. Foreign troops will be used to seize our weapons and march us off to boxcars, etc. There are MANY in Washington state and Oregon, for example.

-"PANDEMIC" attacks of "swine and avian flu" and other military biological warfare they will release deliberately in your area to create **CRISIS** leading to **MARTIAL LAW DECLARATION in YOUR region**. They will also release deadly **CHEMICAL WARFARE** in your air and public water reservoirs, according to **CIA MICROBIOLOGIST LARRY WAYNE HARRIS** my personal friend and information source. He told me how they were trained in the CIA to develop deadly microbes and chemical/biological warfare to be deliberately released against the America people, to neutralize and weaken them under martial law **SO THEY CANNOT RESIST OR FIGHT BACK SUCCESSFULLY**. <http://www.uhuh.com/reports/harris/book.htm> (Beware of government **COINTELPRO**/misinformation on Harris on the Internet. They do not want people to believe his true information and reports.)

The PENTAGON has has a program of the the same kind of warfare against the America people, practicing on the unfortunate people of **IDAHO AND MONTANA**, where I just came from with research. I have been the only independent investigator to come out with a full report from a reliable source admitting that the **Pentagon has been using the PEOPLE OF MONTANA** as human guinea pigs to test their deadly chemicals on them for the past 7 years now. **They did not even spare the AMISH COMMUNITY** in LIBBY, MONTANA, that spring that I came to visit and pray for them for a week, 2 years ago.

By the admission of the wife of the leader of that community, terrible weakness and other symptoms hit the entire community while I was there, during that deadly testing session. Through a series of tip-offs, I was led to a NSA-linked local source who told me all about this horrible testing going on in Montana, by the PENTAGON itself. It took me five months and much detoxifying (through natural health foods/supplements including CHLORELLA) to recover from that attack.http://disc.yourwebapps.com/discussion.cgi?id=149495;article=122790;show_parent=1

-MASSIVE EXPLOSIONS from **various government/military black ops sources** will hit major cities and regions in our nation in the future. **MISSILES** will even come from our own US military bases, according

to my military sources including one Pentagon source and a person from ELLSWORTH AFB in Rapid City, SD. This ties in with **"OPERATION RING OF FIRE,"** a dark and terrible plan from the NWO agenda supporters in Washington DC, to bring America finally to it's knees with their planned explosions that will result in the declaration of MARTIAL LAW across our nation. Here is a brief excerpt from my previous report on **OPERATION RING OF FIRE:**

"Famed Patriot investigator ED PACK presented me with his inside information, obtained through various "moles" (who are sympathetic to the Constitution) planted in the White House and other locations, who gave him the inside info on **"OPERATION: RING OF FIRE."** This inside report exposed the government's covert plan to deliberately foment crisis nationwide by triggering a series of explosions or "terrorist attacks" that would be conveniently blamed on "terrorists" and create a state of martial law and national crisis. But of course, the REAL terrorists would be those working covertly for the government/military for the NEW WORLD ORDER/UN takeover agenda...

["http://disc.yourwebapps.com/discussion.cgi?disc=149495;article=121808;](http://disc.yourwebapps.com/discussion.cgi?disc=149495;article=121808;)

Even NOW, missiles from ELLSWORTH AFB, near Rapid City, SD, are poised to hit four major city targets in our nation, upon given cue. This information came to me from a true insider source, a man whose father is a USAF general working with NATO in Europe to help bring America under the NWO. This information source was with the Air National Guard in that area, and would only give his name of "BRAVO 6" when I interviewed him for my radio broadcast then with WWCR and GENESIS.

BRAVO SIX told me that his USAF General father told him that the USAF lied to the American public public, and that the missiles in ELLSWORTH have NOT been removed from the underground silos as news told them! He said, "My father told me to **NEVER** reveal this to anyone, **BUT the missiles** have been **REDIRECTED TOWARDS INTERNAL TARGETS for their NEW WORLD ORDER/MARTIAL LAW AGENDA!"** In other words, the NEW WORLD ORDER will **CREATE THE CHAOS by ANY MEANS** to bring down their MARTIAL LAW AGENDA!!!

They will THEN blame any target group they choose for their own hidden agendas, whether AL QAEDA (a CIA creation) or others. **BEWARE OF OFFICIAL GOVERNMENT EXPLANATIONS** when these things all begin to come down!

I told "BRAVO SIX" I BELIEVED him. And asked then, WHAT CITIES??? He told me.

Washington DC. Omaha, NE. CHEYENNE MOUNTAIN NORAD. And finally RAPID CITY area.

"And they will send missile after missile into CHEYENNE MOUNTAIN to destroy every underground

floor they have, if necessary," he added.

BELIEVE THIS SOURCE when he reveals that **WASHINGTON DC will go up in flames!** IT is predestined to by the NWO itself! I have already read articles revealing that the NEW MILITARY CAPITOL OF THE USA UNDER MARTIAL LAW is **DENVER, COLORADO!** And for this to happen, the OLD Capitol has to go up in flames!

Even now, many government agencies are quietly moving out of the Washington DC area and relocating their headquarters to DENVER, including the CIA. And many others (including businesses, etc.) are quietly relocating OUTSIDE OF WASHINGTON DC as well. (Northern Virginia, Maryland, etc.)

AL CUPPETT (Mr. "C" or SEA), famed Pentagon source exposing the NWO, admitted to me that he knew of **INTERNAL TARGETS** for our own missiles in our own military bases also. He told me of encountering a General who was angry and told him about the **MISSILES FROM OUR BASES AIMED AT OUR OWN CITIES for a hidden NWO agenda.**

We are now hearing of a "BANKERS HOLIDAY" planned for September, and **FORCED VACCINATIONS** at the same time period as well.

http://www.google.com/search?hl=en&rlz=1W1GGLG_en&q=bankers+holiday+september+2009+crisis+martial+law&btnG=Search&aq=f&oq=&aqi=

Watch for PLANNED FAMINE and economic collapse. On the heels of a planned economic collapse, they will set up **FEMA/military emergency centers to dole out food.** **YOU CANNOT GET FOOD** if you do NOT accept their **FORCED VACCINATIONS** and other government plan to comply with! **"NO COMPLY-YOU DIE!"**

<http://americanholocaustcoming.blogspot.com/2009/08/special-fall-warning-for-all-my-readers.html>

And of course, I have exclusively reported on the plan to use the **YELLOWSTONE SUPERVOLCANO** in a simulated "eruption" to bring down martial law in the large region, so they can then go after the large numbers of militias and gun owners throughout that region that have vowed to fight the NWO to the end.<http://disc.yourwebapps.com/discussion.cgi?disc=149495;article=123190>;

There are so many other possibilities! PROJECT HAARP can be used to trigger earthquakes as well. With so many foreign nations involved in this horrible NWO agenda (Russia, China, the EU in Europe, etc.), there are many sources of the dark hidden plans to bring this nation down under martial law, and NONE sympathetic to the American people nor their well-being.

PRAY for protection in your region. Stay **UNDER THE BLOOD OF JESUS CHRIST**, all of you CHRISTIANS out there! FAST AND PRAY that God will hold back the horror of their insane plans a season longer. Your prayers can truly MAKE A DIFFERENCE!

-Pamela Schuffert reporting live from NC

(Dear Readers, **PLEASE remember: YOUR** faithful financial support will enable me to continue to put out this important information to millions of readers nationwide to **WARN THEM OF THINGS TO COME**. Navy SEAL Nuke Revelation: “Get The Launch Codes!”

Sunday, May 5, 2013 10:11

(Before It's News)

“We HAVE to get THE CODES...!”

-Recent Navy SEAL admission

By Pamela Rae Schuffert presenting investigative journalism from a Biblical Christian perspective-

www.AmericanHolocaustComing.blogspot.com

Ever since my series of interviews with my Navy SEAL source, I have raced to perform more research on what he revealed.

His shocking revelations are still ringing in my head. I now have many more questions after this encounter.

When discussing the rogue nukes planted across this nation for the NWO martial law agenda called “OPERATION RING OF FIRE”, and the military underground’s efforts to locate and disable them, he repeatedly mentioned “...THE CODES.”

“We *HAVE* to get **THE CODES** to disable and stop them,” he told me.

Codes, I thought? *WHAT* codes? I knew nothing about nuclear weapons and codes, *UNTIL* I began a quick research on the Internet.

NUCLEAR LAUNCH CODES was what he was talking about!

http://en.wikipedia.org/wiki/Gold_Codes
<http://whitehouse.gov1.info/launch/>

Apparently Obama himself also has a set of THE NUCLEAR LAUNCH CODES.

Hmmm...and does this therefore indicate Obama’s covert complicity again in authorizing this NWO false flag called “OPERATION RING OF FIRE” using these planted nukes to bring America under martial law, that my Navy SEAL reported to me through his Pentagon source was *imminent UNLESS THEY CAN FIND THESE NUKES, GET THE CODES AND STOP THEM ...???*

His Pentagon source admitted that **Obama’s personal signature was on this highly classified**

document authorizing this very operation. And this Pentagon source is NOW DEAD.

The brother of this Navy SEAL was also murdered with two bullets, and died on Monday.

Apparently such nuclear weapons cannot be detonated **without the proper code.**

And can this same code be used to enter and **DISABLE** a nuclear device as well??? I don't know. I have no prior training in nuclear devices and warfare.

I am racing against time on a fact-finding mission now.

And I will now state the following openly:

God bless the loyal Patriotic military underground who are presently doing their best to stop this heinous NWO agenda for our nation!

POWER TO YOU!

God be with you all!

**May you GET THE CODES and safely disable every nuke
planted for the destruction of our nation out there!**

**We, the true American Patriots, are praying for you all across
this nation!**

Navy SEAL SNIPER Reveals NWO NUKE PLAN for MARTIAL LAW

Thursday, April 25, 2013 13:10

(Before It's News)

From Pamela Rae Schuffert

www.AmericanHolocaustComing.blogspot.com

“BROKEN ARROW! BROKEN ARROW!”

These were the urgent code words
my NAVY SEAL contact
spoke to a Commander in military security in
Washington DC only a month ago.

In the US military, the code name for a serious nuclear weapons incident is 'Broken Arrow'.

"..the rogue nukes were planted across various locations in America, and were set to detonate May 6th 2013..."

-Testimony of Navy SEAL sniper and explosives expert-

This is probably the most urgent articles/emails I have ever sent out IN MY LIFE. *NONE* of the following information was "surfing off the net." I just met personally with this man who gave me the following information:

I just spoke personally with a military insider, a NAVY SEAL sniper with a record 200 hits, who told me some horrifying information. Yes, I know his full name, which I am not allowed to make known publicly at this time. Yes, I also know the name of the military contact of his in Washington DC. This Navy SEAL recently helped intercept, with other military men, nukes that were planted by NWO forces and destined to go off around MAY 5-6, to trigger martial law nationwide...*RIGHT HERE IN MONTANA. And there are MORE across this nation.*

This is the fulfillment of my article written years ago, about "OPERATION RING OF FIRE", in which an insider admitted that one of the final tactics which the NWO forces will use to irrevocably trigger martial law in America, is a series of massive explosions across this nation, forming as it were a RING OF FIRE.

The nukes which this recent military contact helped to defuse were obviously a perfect fulfillment of this warning that came from a personal friend and source many years ago, who was later murdered by the government (Ed Pack).

My new contact told me that several cities in Montana had been targeted with these nukes which they helped to intercept only a month ago. He told me that 9 men died in this defusing operation. He also mentioned that the nukes they helped to offset were in California and Oregon also....but we both agreed that they are undoubtedly also planted all across the nation for their martial law agenda.

He remains in direct contact with a biggie in the military in Washington DC who specializes in nuclear safety and security, who worked with him and the men to defuse these rogue nukes, and even showed me his text message from him the other day. I looked the guy up on the Internet. Gulp...yeah, he IS a biggie in military security! And this biggie is aware of me and my reporting...and told my NAVY SEAL source so in the text message which he later showed me.

The urgency of this message is, THESE ROGUE NUKES HE HELPED TO INTERCEPT WERE SET TO DETONATE AROUND MAY 6TH, 2013!

AND WHILE HE AND HIS MEN MAY HAVE INTERCEPTED AND STOPPED THESE PARTICULAR ONES HE TOLD ME ABOUT... THERE ARE MORE ROGUE NUKES OUT THERE...AND APPARENTLY THEY TOO MAY BE SCHEDULED TO DETONATE AROUND THIS TIME PERIOD AS WELL!!! Honestly, we on the outside cannot possibly know the exact planned time of the detonation of the other nukes, but it would make perfect sense that they would follow the pattern of the previously intercepted nukes.

He admitted to me that we are talking about tens of thousands of innocent lives taken out or affected by every single one of these deadly rogue nuclear devices.

Readers, PLEASE pray as never before!

Circulate this email far and wide!

This is no hoax and is

THE REAL THING.

And pray for this man. He was warned by the aforementioned DC biggie that he was high " on the hit list" now for termination because of his activities countering their NWO agenda. He admitted to me that he is going underground and disappearing rapidly.

In fact, I will be giving him lots of my personal "bug-out" supplies and equipment before he disappears. No one gets paid once they are forced to go underground. Such people must rely on our help just to survive. His life is in danger for standing against NWO tyranny threatening our nation, and for daring to help intercept some of their nukes planted in America to trigger martial law.

What kind of support does he deserve from the rest of us whose lives he is helping to save *RIGHT NOW???WWJD?* I will never let such genuine American heroes down...and neither should *YOU*.

He told me he wanted me to get this info out for prayer...because he has recently committed his life to Jesus Christ, after years of military sniper/assassin jobs as a SEAL and more hits than famed CHRIS KYLE (recently killed), founder of BLACKWATER/the CRAFT paramilitary organization.

This contact is for real. We spent hours talking and he knows some very deep hidden facts and things that I knew, including personal contacts of mine, that blew me away...and I realized immediately *he was the real thing*. Pray for his safety and his walk with Jesus Christ to continue, and for his family as well.

Pray that all these other deadly nukes, planted to trigger martial law THIS YEAR, will be intercepted and neutralized across this nation by the “white hats” or good guys in the military who are against this wicked NWO agenda for our nation. God bless the Patriot military underground! Keep up the good work, guys!

Obviously, pray for me as well. Do you actually think the government *loves* me for getting this kind of information out nationwide??? Somehow I suspect that there is a big fat hit list out there with my name near the top....

If my contact’s dates are correct, we may have only days to pray against these nukes going off to trigger martial law, apparently, based on the info he shared with me.

OUR PRAYERS CAN MAKE THE DIFFERENCE

IN THIS CRITICAL HOUR.

...AND THEY MUST.

Countless innocent lives are at stake!

God bless and keep you always,

PUTIN TO BE BLAMED TO BE BLAMED FOR NUCLEAR ATTACK ON U.S.

Wednesday, July 23, 2014 9:25

(Before It's News)

RED ALERT: NUKE TO DETONATE TO BE BLAMED ON PUTIN

It is VERY important to remember that Veteran's Today has reported that there are currently [25 major U.S. cities with small nukes secretly planted](#) somewhere within. We know that this will be the excuse to start a nuclear war. The MH17 false flag was nothing other than an attempt to make Americans think Putin would do the utmost evil things imaginable to them. Of course, millions of stupid Americans have no idea what's going on and believe that Putin shot down the plane. What a joke... As I see it, one of these nukes will be detonated. It's just a matter of time now. The disgusting NWO will do anything to further their agenda.

When the incident happens, it is important for ALL PATRIOTS to make sure to be watching the fake mainstream news and recording. We need to catch them in lies and mistakes if we are to wake up the rest of the sheep. Always ask, who had the most to gain from downing MH17? ***More importantly, who would have the most to gain by blowing up a nuke in the US? Certainly not Putin.*** Be careful my fellow Americans. Danger ahead.

by Preston James and Lee Wanta

BREAKING NEWS !

According to Senior Veterans Today Editor Gordon Duff, a major recent Russian Intel dump into the Public Domain included some astounding information.

The most alarming disclosure was that at present there are twenty-five American cities which currently have nukes that have been secretly planted in them by the IZCS on behalf of the City of London Zionist Bankers which can be used to blackmail the American Administration into starting another major war or continuing perpetual Mideast war in Iraq, Syria or Iran or attacking the Ukraine by air.

It is clear that this was done by Putin in retaliation to Obama's threats of sanctions against the New Russian Federation over Russia's stand on the Ukraine and specifically the Annexation of Crimea which was overwhelmingly approved and passed by Crimean Citizens.

Here is a list of the entire series of disclosure by Russia:

(A) It disclosed that Israel was set up as a front for the Soviet Union to serve as a means to infiltrate American Intel and did so. And American Intel knowingly allowed this to serve as a means to infiltrate Soviet Intel.

(B) Also disclosed was that Pollard was serving as a Soviet Agent the whole time and used Israel as a cover. When he was caught in the biggest breach of American Intel ever that resulted in the exposure and deaths of hundreds

of American assets and agents inside Russia and Communist bloc nations, most never found out he was actually a Soviet Agent.

(C) Some seasoned Intel Insiders with Cold War experience believe that Israeli Intel, the Mossad was essentially an extension of the Soviet Union's Intel System, and when the Cold War ended became a "left-behind" Bolshevik Intel Cabal working for the City of London private Zionist Central Bank. (7)

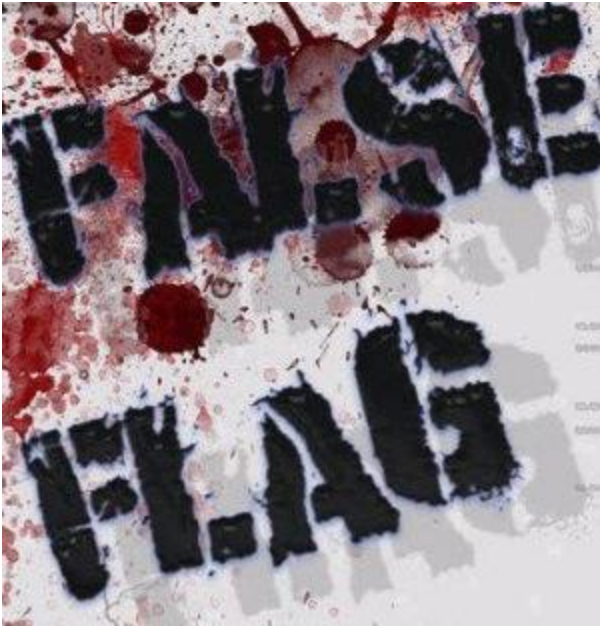

(D) Additional disclosures are even more startling such as the conclusion that the 9/11/01 attack on America was a nuclear event, an installment of the Israeli Samson Option using "decommissioned" W-54 warheads provided by the BCC.

Nuclear Blackmail and the Samson Option?

(E) And the most alarming disclosure was that at present there are twenty-five American cities which currently have nukes that have been secretly planted in them by the IZCS on behalf of the City of London Zionist Bankers which can be used to blackmail the American Administration into starting another major war or continuing perpetual Mideast war in Iraq, Syria or Iran or attacking the Ukraine by air.

Obviously the current situation is very alarming and potentially quite dangerous. A few careless slip-ups could lead to a nuclear WW3 or the activation of the Samson Option by the IZCS.

It's time for some serious action to take control and drive out the enemies of America that are within the Gates.

The current US Administration needs to immediately address these serious concerns, especially the twenty-five nukes planted in American Cities. A workable action plan to find these nukes must be immediately commenced, and America must avoid falling into another perpetual war in the Mideast and the Ukraine or even a potential nuclear WW3 situation.

Those inside the highest levels of the American military and Intel know exactly who is responsible for these nukes covertly planted inside twenty-five American Cities and why they are blackmailing the U.S. Administration. America needs to take direct action to hold these parties responsible. High level Intel sources believe that some of these planted nukes are derived from repackaged decommissioned and stolen W-54 Pits, and the rest are derived from much larger Russian nukes acquired clandestinely after the end of the Cold War.

Iraq Alert !

by Preston James and Lee Wanta

*****BREAKING NEWS !*****

“A VETERANS TODAY COLUMNIST HAS BEEN ADVISED THAT A CURRENT UNITED STATES SENATOR WILL NOT SUPPORT, NOR DISCUSS THE NEW REPUBLIC HIGH SPEED RAIL (HSR) PROGRAM TO BE MANUFACTURED IN TENNESSEE [USA] UNTIL AMBASSADOR WANTA IS PAID>>>.... Until Ambassador Wanta is fully paid, two million new American jobs will not be immediately implemented.” (19) [This means Two Million new good job opportunities are now in peril because of the lack of support of the U.S. Senate for something that was lawfully determined]

Will we soon see the biggest overnight Reversal of our US Foreign Policy since 9/11 as major cities in Iraq fall under attack by Sunni led Islamists?

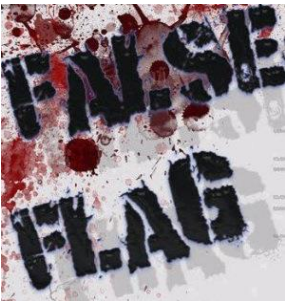

American Soldiers left Iraq and turned over the nation to Iraq’s Security Forces which are now abandoning many cities as Sunni led forces attack.

Is Iraq is being set up with this Sunni led invasion as another provocation to bring America back into a new Mideast war, or is there another more complex geopolitical game being played out here?

Draco guarding the City of London

One thing you can bet on, this conflict has be pre-staged and will end up benefiting the Military Industrial Complex and the City of London Zionist Bankers and the major oil companies one way or another. That seems to be the way it always works.

It is now known that the 9/11/01 attack was a sophisticated inside-job, Gladio-style False-Flag covert attack on America involving the use of pre-planted nukes in the Twin Towers and over 70,000 New Yorkers and first responders now suffer from radiation related cancers from the 9/11 nuclear explosions. (1)(2)(3)

We now know that this 9/11/01 attack on America was initiated by a seemingly strange coalition between the Military Industrial Complex (MIC), the Bush Crime NWO Cabal (BCC linked to the German DVD aka “Fourth Reich”), and the International Zionist Crime Syndicate (IZCS) including NeoCons, PNACers and Israeli-American “Israeli-first” Dual Citizens, and select individuals in the Mossad, JCS, NORAD and USAF.

Intel Insiders refer to this as the real Military Industrial Complex (MIC) run by the Secret Shadow Government (SSG) and also refer to it as the Powers That Be (PTB).

If this insider information is accurate, obviously the PTB is a very strange group based on cooperation between what used to be considered arch enemies of each other.

How could such cooperation occur between supposedly formerly declared enemies and State Agent Provocateurs, the “Fourth Reich” (BCC and the DVD), and the IZCS run out of Israel? The answer lies in the source of these two groups, which also has continuing financial power over them. Since this tracks back to the City of London -very private- World Zionist (WZ) Central Bank who criminally arranged both WW1 and WW2 in the first place, the current association becomes easier to explain.

It is well known now that the US Congress and most of the USG has basically been up for sale to those wealthy entities who are willing to provide huge campaign contributions, other forms of big payments, or large perks such as “revolving door post USG service jobs” with huge paychecks, in order to buy and own our U.S. Congress. This allows these wealthy entities, whether enemies or not, to sit at the same big USG Roundtable and learn to cooperate while eating from the USG trough of special corporate welfare provided by special interest legislation that these entities “purchased.” It is this large lucrative trough which breeds all kind of strange cooperation.

The Iraq War may soon be resurrected to feed the bank accounts of the Military Industrial Complex and the PTB, which is always at the expense of the American people and anyone caught up in the war machine meat-grinder/death machine.

Actually it is very hard work to start a war and it takes years of preparation, typically consisting of major geopolitical and economic manipulations to pre-stage the conflict. This pre-staging, especially since WW2, often involves the creation, financing, training, and extensive very sophisticated ultra high-tech mind-control of extremist terrorist groups to imprint them to do anti-human acts.

This of course is the history of Al Qaeda or “the Database”(formerly the Mujaheedon, also known now as “Al CIA Duh.”) These terrorist groups like Al Qaeda, which was unlawfully and covertly created as a Global Criminal Enterprise, can then be unleashed at will to become the “dogs of war” to stage an attack on the very entities that created and subsequently managed them.

It is a fair assumption to conclude that this same type of pre-staging is involved in the current flare up and apparent takeover of ISIS inside Iraq. The PTB and Israel would rather have American soldiers fight Islamics, but when that fails they resort to their old standby, manipulating divergent Islamics to fight and kill each other such as what was done with the war between Iraq and Iran.

America’s invasion of the Sovereign Nation of Iraq was declared over by Bush2 on an America aircraft carrier soon after the invasion and taking of Baghdad. This proved to be a false conclusion and the US invasion of Iraq dragged on for many years. During his administration, Barack Obama has declared the Iraqi war over and pulled out our American troops. Of course, technically speaking President Reagan was the last duly elected President of the United States and all others since have been illegitimate. (4)

A recent strange news report claims that the US Military just deployed 4,000 America troops to Iraq. (5)

Has the U.S. Administration covertly sent 4,000 American Soldiers to Iraq? Or is this strange news report perhaps a pre-emptive disclosure and suggestion of what must take place to avoid sanction upon America by the PTB? And what could their sanction be? Could it be Nuclear Blackmail?

Or is this ISIS invasion of Iraq a sophisticated covert operation by the PTB to regroup Al Qaeda forces to attack Syria and then even Iran, perhaps the ultimate target for destabilization or Color revolution? (6)

A recent Guardian story now claims that Iran has sent 2,000 troops into Iraq to aid the fight against ISIS. (7) Iran is known to be primarily Shiite and may see the ISIS threat in Iraq as a Sunni threat to Iran. Sunni is the official State religion of Saudi Arabia and so far Saudi Arabia is known to be an Ally of Israel and America, so perhaps you can guess how this conflict between Sunnis and Shiites is now unfolding and the various sides are lining up. (8)

According to Senior Veterans Today Editor Gordon Duff, a major recent Russian Intel dump into the Public Domain included some astounding information. (6)

It is clear that this was done by Putin in retaliation to Obama's threats of sanctions against the New Russian Federation over Russia's stand on the Ukraine and specifically the Annexation of Crimea which was overwhelmingly approved and passed by Crimean Citizens.

(B) Also disclosed was that Pollard was serving as a Soviet Agent the whole time and used Israel as a cover. When he was caught in the biggest breach of American Intel ever that resulted in the exposure and deaths of hundreds of American assets and agents inside Russia and Communist bloc nations, most never found out he was actually a Soviet Agent.

(C) Some seasoned Intel Insiders with Cold War experience believe that Israeli Intel, the Mossad was essentially an extension of the Soviet Union's Intel System, and when the Cold War ended became a "left-behind" Bolshevik Intel Cabal working for the City of London private Zionist Central Bank. (7)

(D) Additional disclosures are even more startling such as the conclusion that the 9/11/01 attack on America was a nuclear event, an installment of the Israeli Samson Option using "decommissioned" W-54 warheads provided by the BCC.

Nuclear Blackmail and the Samson Option?

(E) And the most alarming disclosure was that at present there are twenty-five American cities which currently have nukes that have been secretly planted in them by the IZCS on behalf of the City of London Zionist Bankers which can be used to blackmail the American Administration into starting another major war or continuing perpetual Mideast war in Iraq, Syria or Iran or attacking the Ukraine by air.

So now it appears that there is a situation developing in Iraq where all the former efforts of the US Military are being reversed.

Is it possible to conclude that all this has been staged by the PTB to get the Central Banksters and the Military Industrial Complex back in the Black? Does this support the claim that all these perpetual type illegal, Unconstitutional, unprovoked, undeclared wars are pre-arranged and fought only to put vast fortunes into the Central banks and the large International Defense Contractors.

If true as it seems, this means that our wonderful American Soldiers have been needlessly and thoughtlessly sacrificed as cannon-fodder with absolutely no concern by the PTB for their welfare, health, suffering or the suffering of their millions of families. Is this the greatest crime in history and if so why do the American people allow it to go on? And then add to that the criminal negligence by the top grossly overpaid management of the VA and it seems as if endless damage is continually being done to many thousands, maybe millions of American Soldiers who receive criminal neglect with either delayed medical care, deficient medical care or no medical care at all rather than the treatment they need and deserve. (8)

It is an indisputable fact that Secret Agent Lee Wanta, mandated by President Reagan as his personal Secret Agent under the Totten Doctrine to destabilize the Soviet Union, took down the Soviet Union and avoided any Cold War incidents. (9)

This ended the Bolshevik based “Evil Empire” of the Soviet Union. It was done by establishing a highly respected win/win solution negotiated by Ambassador Wanta with the new leaders of the New Russian Federation and America. This historical settlement to the Cold War emerged because of the successful negotiation of Ambassador Wanta with the emerging new Russian leaders in an historical General Agreement on Cooperation between both parties that was negotiated.

Central to this pioneering **General Agreement on Cooperation* was a commitment by both parties to refrain from interfering in any matters of each others bordering nations. The current U.S. Administration’s covert actions in the Ukraine now appear to be in violation of this Agreement.

The General Agreement on Cooperation between America and the New Russian Federation that ended the Cold War is the type of intelligent, rational and true diplomacy that is much needed now. If Ambassador Wanta had not been blocked by the criminal actions of the BCC, America would have already been completely restored with a high speed railroad, many millions of new good paying job opportunities and no foreign operated criminal Federal Reserve System.

Ambassador Wanta stands ready to activate his plans for a Maglev High Speed Railroad as he was mandated by President Reagan to accomplish, without U.S. Taxpayer Funding. This can be done if the BCC and the IZCS and our Great Nation America decides to take its Constitutional Power back and immediately abolish the Federal Reserve System and move their lawless assets and functions back into the U.S. Department of the Treasury.

Certainly Ambassador Wanta’s negotiated win/win settlement to the Cold War was far better than an insane nuclear WW3 which could have easily occurred had the Cold War not been lawfully negotiated to an end so constructively for both Major Parties.

But now this historic agreement with the New Russian Federation and America has been violated by American interference and lawless provocations in the Ukraine, especially East Ukraine.

An official told CNN today that the United States plans to move the aircraft carrier George H.W. Bush into the Persian Gulf in coming hours to provide the Obama Administration with options for possible airstrikes against militants in Iraq, CNN's Barbara Starr reports.

It is always hard to know if the US Administration has taken lawful action or not because the US Administration has so frequently used mercenaries and Cutouts to do its bidding.

Obviously the current situation is very alarming and potentially quite dangerous. A few careless slip-ups could lead to a nuclear WW3 or the activation of the Samson Option by the IZCS.

Consider the recent Veterans Today article by John Kimber and Jim Fetzer, Is June 22, 2014 About to be a Day that Will Live in Infamy? (10)

It's time for some serious action to to take control and drive out the enemies of America that are within the Gates.

The current US Administration needs to immediately address these serious concerns, especially the twenty-five nukes planted in American Cities. A workable action plan to find these nukes must be immediately commenced, and America must avoid falling into another perpetual war in the Mideast and the Ukraine or even a potential nuclear WW3 situation.

Those inside the highest levels of the American military and Intel know exactly who is responsible for these nukes covertly planted inside twenty-five American Cities and why they are blackmailing the U.S. Administration. America needs to take direct action to hold these parties responsible. High level Intel sources believe that some of these planted nukes are derived from repackaged decommissioned and stolen W-54 Pits, and the rest are derived from much larger Russian nukes acquired clandestinely after the end of the Cold War.

NUCLEAR BLACKMAIL

Israel's nuclear deterrent method exposed. *This information was discovered as part of my [fukushima report](#)*

Israel is keeping a dirty little secret

Jim Stone, Freelance Journalist, Jan 8 2012

There is a reason why the U.S. government is waging war all over the world, even obviously against the good of the nation.

There is a reason why the U.S. government rapidly rolled over and did the banker bailout without question, in an amount which exceeded the value of every mortgage in the country by more than 3x, and every mortgage in default by over 15x; an amount which will destroy America once the ripple effect is finished.

Many of you are no doubt scratching your heads, wondering why every elected president turns back on his campaign promises the second the inauguration is complete. Believe me, the corruption of American elected officials is not that deep. You cannot elect several presidents in sequence, and have them all perfectly screw the country, ESPECIALLY the way Bush and Obama did; they had their reason, and it is called **NUCLEAR BLACKMAIL**.

What if they never wanted to renege (at least not so completely)? What about Obama? And what about the other countries, which also screwed their people the same way? **Why is it seemingly a universal truth, that all governments around the world are simultaneously going against the will of their people, in favor of the Jewish bankers and Israel?**

I believe I have figured it out, and **I have documented it**.

I am going to tell you the hows and whys of Israel's dirty little secret - how they got their nuclear offensive capability in place, why they decided on the chosen method, and how they ended up using it.

Israel had a serious launch dilemma

Israel is in a unique predicament. Its small land mass and hostile neighborhood have made developing a space program and ballistic missile defense system all but impossible.

Geography matters. Most nations are privileged to have vast tracts of land suitable for space launches, or friendly neighbors who will permit the use of their airspace during a space launch. Israel is not one of them.

If a rocket is to be put to its most practical use, it must launch toward the rising sun to make use of earth's rotational velocity and add it to the speed of the rocket. If a rocket is launched towards the setting sun, it must first accelerate to the speed of the earth's rotation, and then an additional 1,000 mph just to get to where zero would have been with an eastward launch. Though it can be done, it wastes fuel and after launch another problem then presents itself - your payload will be traveling opposite to all the many thousands of other satellites and space debris in orbit and an eventual catastrophic collision is virtually assured. This has made westward launches both taboo and difficult. Westward launches are considered unacceptable, though Israel has done it.

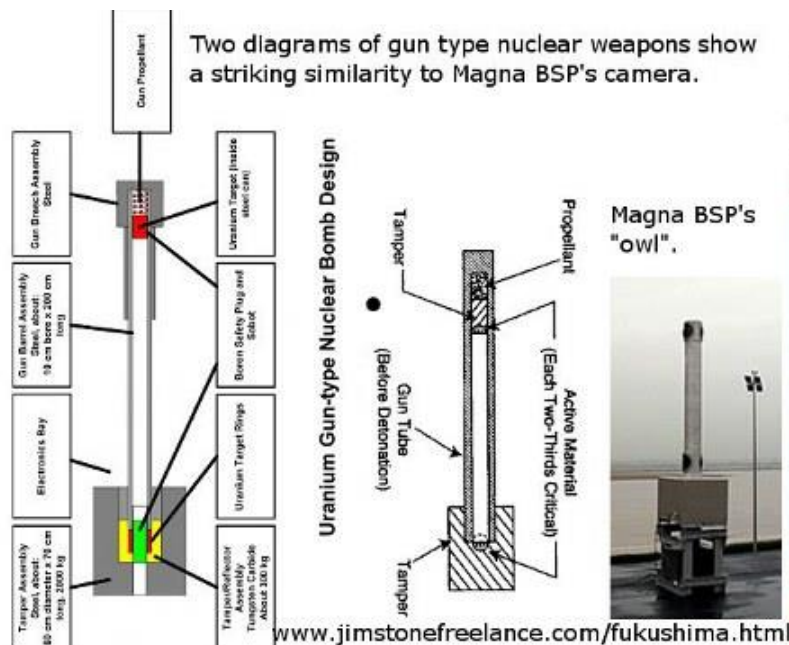

Israel has been stifled in space of because of these difficulties. The prime Eastward launch direction will violate both Jordanian and Saudi airspace, because a rocket has to reach an altitude of 60 miles to be formally above, and not trespassing on a nation. Though a straight up launch which then turns East after an acceptable altitude is reached is possible, it will waste so much fuel and require such a large rocket that it will be too impractical to be considered an option. This has spelled doom for a land based ballistic missile defense system in Israel because only a small east to west launch corridor is available over the Mediterranean. So while the Israelis have launched satellites into orbit through this window, a ballistic defense

system which needs a full 360 degree launch direction to be fully effective is not possible. **Israel was forced to both explore and implement other methods of delivering an effective nuclear deterrent.**

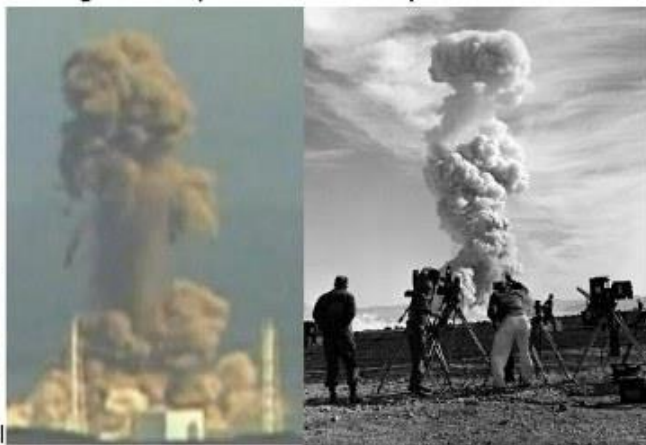

Sadly, their only affordable option allowed them to screw the world

What if Israel came up with a way to smuggle nuclear weapons into the most sensitive areas of all the developed nations - areas where if anything big goes BOOM all is lost? Could there be a clandestine reason for the supposed shortage of Helium 3, which is needed in the type of radiation detectors required to detect a nuclear weapon? You can block protons, but neutrons are difficult to shield entirely, and you can forget about neutrinos - you can't hide a nuke from the right detector, one which uses helium 3 in its detector element. Why did America and all other nations somehow run out of Helium 3 a few years ago, which simultaneously left their borders open to nuclear weapons smuggling? Coincidence? I think not. The picture to the left appears to be a legitimate camera in a body that could also hold a nuke. It does not appear to actually be a nuke. **HOWEVER**

Even at meltdown a boiling water reactor cannot go critical like a nuke and will not explode; it just melts.

The blast at Fukushima#3, which Israeli firm Magna BSP "secured" with one of their cameras, bears a striking similarity to a nuclear weapon test.

This particular one in the above picture appears to be a bona fide nuke camera. Note the differences - At the top of the gun barrel, there is a reinforced area to survive the ignition of the projectile propellant. The "cameras" look superficial and appear to be mounted to the surface of the barrel with very little intruding depth. Think about the webcam in your laptop or the camera in your Iphone - Nowadays that's all the depth a very good camera needs if price is no object, so it is easy to build convincing and deceptive functionality into the unit to justify it's enormous size.

Israel's main strategy has been to smuggle nuclear weapons into sensitive areas of nations under the guise of security contracts. These security contracts use "proprietary" equipment that is maintained only by Israelis. In this particular case, the proprietary equipment is stated to be "biscopic" cameras, which are put in place by security companies operating as front companies on behalf of the Israeli Defense Forces. Magna BSP, the company which provided "security" at the Fukushima nuclear facility in Japan is one of them. During my investigation of the Fukushima mission, I studied Magna BSP and discovered that in addition to Japan, they also got security contracts in Brazil, Germany, and the United States. All 4 of these countries have provided massive financial "bailouts" to Zionist bankers, and though I have not proven that all of these countries were blackmailed with the threat of a nuclear Armageddon, the coincidence is very suspicious and given what happened in Japan, even a little more than suspicious. In the [Fukushima report](#) the reason given was that Japan offered to enrich uranium for Iran. But shortly thereafter, Japan damaged it's economy by surrendering 1.7 trillion USD to Jewish bankers even though no prior debt was owed.

This particular "camera" is a concept drawing of what the final design will look like. But don't count on it looking that way after this report or the Fukushima report, many large items which can be excused off as security devices can also house a nuke. Additionally, other types of contracts use equipment that is very suitable for housing an implosion nuke, which is often much smaller than a gun nuke.

Gun type nukes do not produce very predictable results which is a good explanation for why the other two exploded reactors did not produce a mushroom cloud. Reactor 4, which "exploded" had been de-fueled and did not even have a core in it, this was proven with the classified photos in the [Fukushima report](#). This made the explosion at reactor four flatly impossible. The un predictability of gun nukes is a good reason to move away from them,

so I expect the gun nuke camera to be a dying breed. Perhaps the Israelis wanted to get rid of old nuclear inventory, and from the crudeness of the looks of the units delivered thus far, I suspect exactly that. I strongly recommend you take the time and read the Fukushima report in full, it's all documented from official sources, contains about 7 hours of reading material and took hundreds of hours to research out.

With the inadequately explained and inexcusable absence of helium 3, most of the world's borders are now wide open for Israel to get it's deterrent fully in place and have been for some time. I believe Israel has multiple nuclear weapons in place in key areas of the United States, Germany, Japan and Brazil, and has plans for or has succeeded in smuggling nukes into many other countries. Israel has been able to make hundreds of nuclear weapons from the reactor in Dimona, and has stolen enough nuclear material from America to make additional thousands. I believe Israel is holding the world nuclear hostage. If anyone says anything, opens their mouth, they get killed. If a nation goes against the will of Israel, and does not submit financially, BOOM. And it will all be blamed on the environment, a meteor, or "terrorists" because after all, TERRORISTS smuggle nukes in through the ports, RIGHT?

-SO-

The next time that guy you voted for reneges on his campaign promises IMMEDIATELY after inauguration

The next time your government forks over unbelievable cash to Jewish bankers and destroys your future;

The next time your government sends your children off to die in a war against a nation that never attacked you;

The next time a 911 happens;

The next time another SOPA act passes, or some other legislation no one wants passes and directs hatred at a government that needs our support to survive:

**Psyching Americans UP for "The NEXT BIG ONE:"
OPERATION RING OF FIRE Coming SOON?**

By Pamela Schuffert presenting investigative journalism from a Biblical Christian perspective-

I noted with great interest the headlines on the USA TODAY newspaper the first week of OCTOBER. As I read the article, it became apparent to me that the government controlled/bought/censored news media are once again **PSYCHING THE AMERICAN PEOPLE UP** for the **NEXT step** in **IMPLEMENTING MARTIAL LAW NATIONWIDE.**

Already special interest groups with a vested interest in MARTIAL LAW being finally triggered and declared in America (such as dual citizenship people in high places of our military and government) are working with cooperating news medias to **fabricate** their "Moslem terrorist" future terrorists (or any OTHER group the government wants justification to go after, which someday WILL include CHRISTIANS as well), who will be officially be blamed for **the coming US MILITARY GOVERNMENT "BLACK OPS" ACTS OF TERROR** to be staged in various cities, with massive explosions and detonations taking place nationwide, sealing America's doom of MARTIAL LAW forever.

You see, "He who creates the CRIME, can also create the CRIMINAL."

Even as in "9/11" and OKC Bombing, etc. ad nauseum. Those working in top secret government/military/intelligence community planning sessions to devise and and carry out **"THE NEXT BIG ONE"** that will be used to bring down MARTIAL LAW, also work late into the night to devise **the PERSON OR GROUP(S)** they **PLAN TO OFFICIALLY BLAME FOR THE COMING CHAOS.**

Ed Pack told me that, "...they will blame AMERICA'S MILITIAS for the coming tragedy, because CLINTON HATES AMERICA'S MILITIAS! He knows that THEY know all about the MARTIAL LAW/NWO agenda, and they plan to oppose it and informing other Americans how to oppose it. So they WILL blame America's militias when it happens..."

And sure enough, 3 months later, the OKC bombing occurred. I turned on nightly news to NIGHTLINE with TED KOPPEL, and lo...there was Ted interviewing the **MICHIGAN MILITIA** and Mark Koernke as well! They were of course discussing the OKC bombing and McVeigh's militia ties, etc. Indeed, the government falsely implicated America's militias in this through McVeigh. This is just **ONE** way showing how the government furthers their MANY hidden agendas, once again through lies and deceit.

With "9/11," for example, due to US military ambitions in the Middle East and dual citizenship people wanting America to fight Israel's battles in the Middle East with arch enemy IRAQ, this terrible crime against humanity of "9/11" HAD to be officially blamed on IRAQ and IRAQIS, in order to provide justification to the world for what American military had planned to do in advance with the IRAQ INVASION.

Beware of "OFFICIAL GOVERNMENT EXPLANATIONS" in major disasters such as these!

Three months before the OKC Bombing, I was privy to covert information supplied to my friend Ed by Patriot moles planted in Capitol Hill (even into the White House at that time), who continually gathered information about the US government's dark plans to bring America under martial law. This government/military plot of "OKC BOMBING of the MURRAH BUILDING" was also for a hidden agenda, that of taking away more of Americans freedoms.

<http://disc.yourwebapps.com/discussion.cgi?disc=149495;article=121808>

My information source was a man called ED PACK. Ed is now dead. He was killed by the US government: he simply knew too much and talked too much. His wife had to flee with their son to her mother's home outside the lower 48 states for safety after he died. But before he died, he warned me of many things, including the OKC Bombing 3 months before he died.

Ed also warned me of "OPERATION RING OF FIRE." (I first wrote about this years ago.)<http://www.google.com/search?hl=en&source=hp&q=Operation+ring+of+fire+ed+pack+schuffert&btnG=Google+Search&aq=f&oq=&aqi=>

"It will be **the final tactic** they use to finally bring America DOWN UNDER MARTIAL LAW," he told me. "**They will stage massive explosions across the nation**, blaming them on targeted groups, but it will be in fact **OUR OWN COVERT MILITARY/GOVERNMENT/INTELLIGENCE BLACK OPS** that will set up and stage these massive explosions. They will form as it were **A RING OF FIRE** across America...and **THEN** they will use this to **DECLARE NATIONAL EMERGENCY and MARTIAL LAW** at last...."

Judging from his accuracy in everything he had warned me about previously, such as the OKC Bombing, I took this warning to heart as well and wrote an article (in fact MANY articles) on coming **OPERATION RING OF FIRE.**

The government censored/controlled propagandistic news media is working in sync with the **NEW WORLD ORDER AGENDA** for America very closely. You will **NEVER** find **GOVERNMENT CENSORED NEWS MEDIA** uncovering the horrible truths about things like "9/11" or the OKC Bombing, etc. You will **ONLY** find **ALTERNATE NEWS JOURNALISM** instead, giving you the truth in this hour.

It is becoming evident that the major news media sources are working in synch to spych up the American people indeed for **"THE NEXT BIG ONE."** Here are some links on this:

http://www.youtube.com/watch?v=FanFR2C5ZOA&feature=player_embedded#

<http://www.history.com/shows.do?action=detail&episodeId=481864>

Intelligent and discerning Americans are turning more and more to **ALTERNATE NEWS JOURNALISM** as a safer source of truth in reporting and the news in today's world of government censored news media filled with **NEWS MEDIA BIAS and BLACKOUT** constantly. And even **THEN**, you will have to exercise discernment and research to uncover government/intelligence/military infiltration and deception and misinformation creeping in at times as well.

For example, I was amused to recently find a misinformation article on RUMOR MILL NEWS, trying to discredit my reporting and interviews with Ed Pack Regarding OKC Bombing, etc. Discerning readers have long ago concluded that there is government complicity in RUMOR MILLS NEWS. They publish seemingly valid alternate news reports, and **THEN** include government COINTELPRO and misinformation as well. But then, the husband of RUMOR MILL NEWS was also ACTIVE CIA as well, so.....

Understand that the US government desperately does NOT want the American people to KNOW THE TRUTH about their Martial Law agenda and their black ops! They fear the American people knowing the TRUTH! They will stoop to any level of lies, COINTELPRO, misinformation, etc., to **DENY THE TRUTH EXPOSING THEM...**right on down to murdering the person exposing exposing them whenever they feel it necessary.

This is why I have come under repeat attack in my many years of this kind of reporting. I have been falsely accused and misportrayed (COINTELPRO) on the Internet by several of their agents. Such people know **NO** shame and **NO** fear of God as well. They are sinners, refusing to walk by the code of ethics that Bible-believing Christians are held to. I have suffered death attempts on my life, and threats, including to my webmaster in the past as well.

Further warning of impending dangers due to massive explosions in various cities/regions from previous reports I have written: I interviewed one military man, USAF, who admitted that now in some of our own US military bases, **SOME OF OUR OWN MISSILES HAVE BEEN DELIBERATELY AIMED AT INTERNAL TARGETS...**ALSO for a NWO/MARTIAL LAW-triggering agenda! This source, "BRAVO -6" admitted that the missiles in Ellsworth AFB near Rapid City had been re-directed for their NWO agenda, **to four major US cities...with WASHINGTON DC being ONE OF THEM!** I wrote up many reports on this previously as well.

<http://www.google.com/search?hl=en&source=hp&q=schuffert+bravo+six+missiles+ellsworth+martial+law&btnG=Google+Search&aq=f&oq=&aqi=>

The NWO has already declared that Washington DC MUST go up in flames, in fact, and the NEW

capitol of the USA under MARTIAL LAW/NWO is DENVER, COLORADO! The NWO wants to be able to rule from the center of the continental USA and from important DUMB (deep underground military bases) established there as well. Already, the CIA has been moving their offices and some operations from Washington DC quietly to Denver. So have other government functions as well. Others have moved 50 miles outside the city, or so, to avoid what they have been warned from the **INSIDE** is the coming firestorm to hit Washington DC.

So do NOT be surprised if you turn on the news one night, or early one morning, and hear of various locations across America seemingly struck with MISSILES or SUITCASE NUKES, by "terrorists" or "insurgents" or "Taliban" or AL QAIDA, etc. Just as with movie scripts being written ahead of time, the news media will be handed and will follow their carefully planned scripts filled with the **"OFFICIAL GOVERNMENT EXPLANATIONS"** intending to totally deceive and mislead the American people into believe **THE LIE**, once again, as in "9/11".

We knew long ago that they would use these kinds of tactics to declare martial law, region by region, bring out the foreign troops to patrol the cities of America, seizing weapons, etc., and proceed with the NEW WORLD ORDER agenda. And they have many MORE black ops up their sleeves besides.....

CHRISTIAN INTERCESSORS OF AMERICA, please take this warning seriously and **PRAY** across this nation, with tears and fasting! How **MANY** people will become the tragic victims **SHOULD** this terrible black op take place all over America! **YOUR** prayers can make the difference in this hour.

Nuclear Launch Codes

The National Security Presidential Directive 28 (NSPD-28), "U.S. Nuclear Weapons Command and Control, Safety, and Security" requires the President to have universal and convenient access to the Online Nuclear Launch System. For national security purposes, this mission critical system can only be accessed upon successful authorization from the foolproof Presidential Retinal Scan System.

Click on the [ONLINE NUCLEAR LAUNCH screen](#) below to initiate retinal scan authorization:

BACKGROUND

In the past, a military officer carrying a special briefcase (nicknamed "The Football") had to accompany the President wherever he went. The briefcase carried the secret daily codes needed to launch a nuclear attack along with a list of targets and attack scenarios.

To launch an attack, the President would need to confirm his identity using a code printed on a plastic card (nicknamed "the biscuit"), which the President was [supposed](#) to always have in his possession. With today's technology and internet availability, the "football" and the "biscuit" have become obsolete.

As a supreme show of confidence in the new White House Cybersecurity Plan and an ongoing commitment to openness and transparency, the Daily Nuclear Codes are uploaded to this White House website giving the President immediate access to these vital codes wherever he is.

Because these Top Secret codes are protected through the use of a retinal scan, they can only be [accessed](#) by President Obama. This online nuclear launch capability along with the [Cyber Warfare Command and Control System](#) give President Obama the tools he needs to keep our nation safe.

NWO Operation "Ring Of Fire" Coming Soon Against US?

Pamela Schuffert is the daughter of a famous Air Force cartoonist. He was recruited into the Satanism of the New World Order. He was converted to Christianity before his death, and told his daughter Pamela many of their secrets. She says now that they have plans for an operation called "Ring Of Fire" with simultaneous attacks in many areas across the US. They may also have plans to attack several of our cities with missiles fired from military bases within our country. Then probably blame this falsely on "terrorists" as they did with 9/11. The USAF Commander he was networking with is dead.

His body was discovered 4:30 PM Sunday, alone in his Northern Virginia home, with a single bullet wound through the head.

He died in his home. Although they have tentatively ruled this a suicide, his Navy SEAL friend and contacts realize it was much more.

Of course.

All of those hours flying combat aircraft all over the world and crashes a Cessna in his home state? Sounds far-fetched to me....He may have been WELLSTONED, if ya get my drift.

On APRIL 19th? Somehow that date seems significant somehow.....hmmnnnn.

This may be worth deeper investigation. The United States Strategic Command has got to be near the inner ring of Power.
